OVERVIEW

Proviant Equity Partners, based in Cleveland, Ohio, is an experienced team with an established and successful track record of partnering with management to transform businesses in the lower middle market

INVESTMENT CRITERIA

- Control recapitalizations and buyouts in North America
- Founder/entrepreneur owned companies (preferred)
- \$5 million - \$15 million of EBITDA with defensible margins
- Sustainable market position with tangible growth drivers and positive macro trends
- Large, fragmented market with strategic acquisition possibilities
- Focused on operational value-add and EBITDA growth leveraging Proviant’s capabilities

TEAM

Diverse, balanced with investment and operating experience, and a long history of working together
Prioritize alignment and working in partnership to add value alongside management
